Sir:

This petition is being filed to request a duplicate Letters Patent for U.S. Patent No. 7,207,057, issued April 17, 2007.

This request is based upon the fact that the undersigned attorney/firm never received the aforementioned Letters Patent. The undersigned is an attorney of record for the subject application. I have determined that the Letters Patent was not received by me or my office. I have searched the file jacket for this application and have determined that the Letters Patent is not in the file jacket.

When USPTO documents are received in this office, they are rushed immediately to our Docketing Department before any other personnel are allowed to have access to the documents. In the Docketing Department, our Docketing personnel generate a list of all papers received each day from the USPTO in order to allow our Records Department to pull files for the received papers. As evidence of non-receipt, the Applicants enclose a docket record of U.S. Patent No. 7,207,057 as maintained by the Docketing Department of the undersigned's firm

(see Appendix A). The attached docket record contains an event log, on page 2, that identifies (a) the date of submission of all documents submitted to the USPTO for U.S. Patent No. 7,207,057, and (b) the official mailing date of all documents received from the USPTO for U.S. Patent No. 7,207,057. As can be seen in the last line of the event log, on page 2, the last document received from the USPTO was the Issue Notification, received April 3, 2007. If the Letters Patent were received, it would have been entered into the event log after the last entry. The absence of this entry indicates that the undersigned's firm never received the Letters Patent issued April 17, 2007.

In view of the foregoing, the Applicants request that this petition be granted, and a duplicate Letters Patent be sent to the undersigned.

The Applicants submit that, although no fee is due for consideration of the present petition, should the USPTO determine that a fee is due, authorization is granted to charge said fee to Deposit Account No. 03-3975 under Matter No. 530842-0000000. Should the USPTO have any questions or concerns regarding this petition, the undersigned may be contacted at the number indicated below.

Respectfully submitted,

PILLSBURY WINTHROP SHAW PITTMAN LLP
